

## SAVE YOUR NEWSLETTER! CAN YOU BE OUR NEW SCHEMES ADMINISTRATOR?

This is to give advance notice that we will need a volunteer to take over as the local schemes administrator. Currently this is undertaken by Colin Oliver (Hon. Treasurer & Website Maintenance) who will be unable to carry on with all these roles after June 2018.

This is not an onerous task but one which is vital to the continuation of Nailsea NHW in its current form.

Records of registered Schemes, Coordinators, Street Signs and numbers of Newsletters to go to each scheme are currently held in a Microsoft Access Database which is relatively easy to update.

The distribution of Newsletters is undertaken by Jill & Geoff Collard and the database is used to generate labels for each Coordinator and the local administrator would print these off to give to Jill & Geoff.

The NHW has a copy of the MS Access software and supplies of labels/ink.

Unfortunately if a volunteer does not come forward to take over the role of Nailsea Local Administrator before June 2018 no further Newsletters will be printed or distributed and June 2018 will be the last issue. Also the local Nailsea Schemes records will not be maintained.

There could also be a knock-on effect to Public Meetings and Speakers if member attendance drops due to lack of meeting notices/reminders published in the Newsletters.

Colin would be available to set it up and give any instruction necessary and for future advice.

For further information please call Colin on 07905 36 00 44.

### ENJOY YOUR RETIREMENT AND THANK YOU!

After many years of support to the Nailsea NHW Cliff is to retire from being the Coordinator for Southfield Road 2; Riveryway; The Willows & Withy Close. We wish him well for the future but he hasn't left us entirely as he will still be the Coordinator for Coasts Cider and the Newsletter Distributor for the other 12 schemes in his area - so he'll still be busy kindly helping out the Nailsea NHW.

After some years Tony Stirrat has finally decided to give up the Coordinator role for Nailsea Court and we would like to thank him for his support.

### STREET SIGNS

A replacement programme of old/broken signs on Street Lampposts is nearing completion. If you still have an old sign in your road please contact either your Coordinator or Colin Oliver with the number of the Lamppost (if legible) and the nearby property. Replacements on Lampposts are generally not an issue; unfortunately there have been reports of Western Power Engineers removing our signs without notice. If you have had any signs removed from electricity poles please let know.

There are a number of existing NHW Schemes that do not have any signs and we will contact those Coordinators to discuss providing new ones.

### WINDOW STICKERS

NHW window stickers are available with the new logo. Also there are new No Cold Calling stickers that can be placed on the inside of a window. These are in short supply and strictly controlled by the Police NHW Administrator but if anyone wants one please contact your Coordinator or Colin Oliver who will arrange for the administrator to post them out to the scheme Coordinator.

## AROUND THE SCHEMES

We are seeking a replacement co-ordinator for Cliff Mallison, either as a straight replacement or three separate Coordinators for the Southfield Road 2 (nos 1-28, 32-45, 50-56, 59-65, 73-87) all properties; Riverway and The Willows & Withy Close.

If anyone would like to volunteer or require further information for any of these roads would you please contact Colin.

If no volunteer can be found for a scheme it/they will be de-registered by the Police and any Street Signs removed.

Mizzymead 2 (Mizzymead Rise - property numbers 1-27, odd numbers 29-51 + Mizzymead Close - numbers 1-8) will be de-registered with the Police as no volunteer has come forward.

The Coordinator from Kingston Way has left without any notice and therefore we need a replacement volunteer. Anyone interested please call Colin Oliver. If no one comes forward the scheme will be de-registered and all signs removed.

### Avon & Somerset Neighbourhood Watch Association

This new association run by volunteers will be the contact point between the A&S Police and the National Neighbourhood Watch (Ourwatch) and the A&S NHW Coordinators.

There is to be an inaugural/AGM meeting on Saturday 7th October and we should see the full rollout with new procedures in the next few months. We will keep you informed via our website ([www.nailseanhw.org.uk](http://www.nailseanhw.org.uk)) as things progress.
